

# Bringing the Gospel of Yeshua to Israel and the Nations

Writing I-rd or G-d this way is an ancient Orthodox Jewish custom that Carolyn grew up with.  
It's only done out of reverence and honor for His name, thank you for understanding.

# What's Heart of G-d Ministries?

We are Richard and Carolyn Hyde, Israeli-American citizens living in the Galilee, sharing the love of Yeshua, Jesus, with Israelis. Together we are a prophetic picture of the Heart of G-d, Jew and gentile, one-new-man in Messiah.

We planted a Messianic congregation, **Beth Simcha**, in San Antonio and Richard served as a founding elder and Torah teacher from 1990-2000.

In 2000 the L-rd called us to move to Germany to work in a reconciliation ministry between Germans and Jews. We praise Adonai for the many German youth who have come to faith in Yeshua! Miraculously, **the L-rd called us to make Aliyah (immigration to Israel)** from Germany.

In 2003 we made Aliyah and became citizens. After arriving, we lived on Mount Carmel in Haifa. Carolyn served as worship leader at *K'tsir Asher*, The Harvest of Asher Congregation, in Akko, and then led worship at *Kehilat Poriya*, a congregation near Tiberias. During the Second Lebanese War in 2006 we moved to a small village near Tiberias.

Over the years we have often been called out of Zion on ministry journeys and prayer-walking in strategic locations and helped to plant and build up congregations in the Land.

Today we are very active in sharing our faith in Israel. We also do Aliyah counseling, assisting and encouraging Jewish people to come home to Israel. We offer the **Living Stones Experience** where we invite you to an evening of Israeli folk dancing, worship and sharing how the Holy One of Israel is moving on the hearts of His people today!

Carolyn is involved in worship in various venues in the Land. She has written and recorded many worship songs in English and Hebrew. Explore her **music videos** and **worship albums**.

Richard is leading Heart of G-d Ministries into a new season of sharing Messiah online through social media. We work with our two sons, Ariel and Avi and the **Tree of Life Media Team** in Haifa, doing street outreach and creating **evangelistic and pro-life videos**. Have seen our **Isaiah 53 Forbidden Chapter video**? It has already reached over 10 million people, 1.5 million of whom are Israeli!

We are excited at how the L-rd is moving on the hearts of Israelis today, fulfilling His promises that **Kol Yisrael Yivasha – All Israel Will Be Saved!**

**Richard Hyde** was born and raised in Plainview, Texas as a Christian. After graduating from Oral Roberts University, he lived in Europe and Asia for five years, planting congregations among indigenous believers. He then had a divine encounter with the G-d of Israel and like Ruth, committed himself to the people and the Land of Israel and went on to study at the Institute of Holy Land Studies where he completed the coursework for a master's degree in Middle East Studies, with an emphasis in Islam. After returning to the US he met his lovely wife and moved to San Antonio, Texas.

**Carolyn Margolin-Hyde** was raised in an Orthodox Jewish synagogue near Chicago. She graduated from the University of Illinois and practiced as a registered nurse for many years. Later, after living as a new-age hippie, and working in various locations around the US and even Mexico, she had a vision of Yeshua that transformed her life and she's now a Messianic Jew. She then moved to Norfolk, Virginia, where she led worship at Beth Messiah Congregation, and met Richard who was visiting. They soon married and moved to San Antonio, Texas.

## Witnessing and Praying over Israelis in the Promised Land

Over **2,600,000 Israelis live in poverty**, which is well **over 25 percent** of the country's entire population! Sadly, more than **1,100,000 are children**.

**830,000 households** in Israel reported economic distress, **131,000 more families** than before the Covid pandemic.

**75 percent of the pension-aged Israelis** live in de facto poverty, among them, many of the nearly **150,000 Holocaust survivors** in Israel today.

Pure and undefiled religion before our God and Father is this: to visit orphans and widows in their affliction, and to keep oneself unstained by the world.

James (Ya'acob) 1:27

We've been blessed to be able to reach out in love to many people in a variety of ways. We particularly seek to help widows and orphans who are in need.

G-d makes it clear throughout the Scriptures that He cares deeply for the poor, orphans, and widows.

Over 600,000 Jewish orphans and widows live in Israel today, approximately 11.7% of the total population.

We deliver boxed and prepared food to Jewish families in need.

We praise G-d for your your generous gifts that allow us to bless His people. May the L-rd bless you abundantly in return!

## How can you be part of what we are doing?

**With Table & Well - Relational Co-Labs** we are discipling people, sometimes even before they're believers. Kinda like what Yeshua did. This discipleship starts around the table, but continues online where people can grow in their relationships with themselves, others and G-d, connecting on a heart level. Through personal contact and ongoing classes our goal is to raise up Spiritual Moms and Dads that can help new believers (old ones too!) grow in emotional maturity.

In **Altar of Prayer** every Wednesday from 3-6PM Israeli time Intercessors join Carolyn and Richard on a Zoom call. Carolyn turns her phone so the intercessors can engage with all the Israelis we encounter as we travel throughout the land of Israel. The Gospel goes forth in a powerful way because the intercessors are praying in real time and with intimate knowledge of what's happening. They are indeed part of the outreach team!

## Why believers of Yeshua should care and pray for Israel?

As believers of Jesus, we follow the promises given by G-d, the G-d of Abraham, the G-d of Isaac, the G-d of Jacob. If you have followed the story of the Bible, from Genesis through Revelation, our source of knowledge about G-d along with the Holy Spirit, you know Israel is an integral part of the story. G-d called Abraham away from the Gentile nations to make from him a nation. That nation is Israel.

We are servants of this Most High G-d, the G-d that called and promised for three generations the promise of redemption and cohabitation. He appointed prophetic times for these promises to be fulfilled. Israel is in the middle of them. Israel is like the prophetic clock for us Gentiles that has been grafted into the seed of Abraham. It is imperative that we pray and support Israel.

The best way to do this is by supporting ministries like Heart of G-d. Richard & Carolyn Hyde have dedicated their life to serve and bring Jesus to Israel. The prophetic appointed times are coming to a close, and we have given the task to minister Israel with the Gospel of Jesus Christ, to make them want to have the relationship we have found through their blessing to us through, Yeshua H'Mashiach, Jesus Christ, the Messiah Son of Joseph, the suffering servant, who in his second coming will return as Messiah Son of David, as ruler and just King over the land and to vanquish evil once and for all.

## How did and is Israel blessing the World?

1. From Israel our Messiah Jesus (Yeshua) was born
2. All 12 disciples and the Apostle Paul were Israelite
3. The stories we love, the Bible, is an Israelite compendium of books
4. Through Israel we see the promises of G-d fulfilled
5. G-d has kept Israel for His name, even when many powerful nations has set to exterminate them, Israel still stands, with their custom, festivals and language.
6. Many Israeli are dedicated to go around the world to teach us how to celebrate the appointed time festivals established by G-d as a perpetual memorial.
7. Through their hardships and victories, we can faithfully belief that the same G-d of Israel that has been with them, will be with us.
8. Through their teachings we are able to witness how G-d have interacted with humanity and how real He is.
9. Through their testimony we also see the promise of restoration becoming real before our eyes.
10. But the greatest blessing we have received from Israel is knowing that we serve a living G-d. A good Father that takes care of His Children. An approachable G-d that wants to have a real relationship with us.
